Go to home page

Update form:

The screenshot shows a web browser window with a single tab titled 'Save Doctor'. The address bar displays 'localhost:8080/Hospital-admin-app/hospital/docupdate?doctorId=13'. The browser's bookmark bar contains several links: 'Aplikacje', 'Epczta', 'Gmail', 'Online Courses - A...', 'Portal Pacjenta LUX...', 'studia', 'Bezpiecznik', and 'Github'. Below the browser window, a blue header bar contains the text 'Hospital Page' in white. The main content area is titled 'Save Doctor' and contains a form with the following fields: 'First name:' with the value 'Wieslaw', 'Last name:' with the value 'Kaczmarek', 'Specialty' with a dropdown menu showing 'orthopaedist', and 'Email:' with the value 'wieslaw@gmail.com'. A 'Save' button is located below the form fields. At the bottom left of the form area, there is a link labeled 'Back to List'.

# VISITS

The screenshot shows a web browser window with the title "Visit List". The address bar displays "http://localhost:8080/Hospital-admin-app/hospital/vislist". The page features a blue header with the text "Visit List". Below the header is a button labeled "Add Visit". A table with four columns is displayed: "Visit Id", "Doctor Id", "Patient Id", and "Action". The table contains two rows of data. The first row has values 27, 9, 17, and links for "Update" and "Delete". The second row has values 23, 13, 29, and links for "Update" and "Delete". At the bottom of the page is a button labeled "Go to home page".

Visit Id	Doctor Id	Patient Id	Action
27	9	17	<a href="#">Update</a>   <a href="#">Delete</a>
23	13	29	<a href="#">Update</a>   <a href="#">Delete</a>

## Add visit

The screenshot shows a web browser window with the title "Save Visit". The address bar displays "http://localhost:8080/Hospital-admin-app/hospital/visadd". The page features a blue header with the text "Hospital Page". Below the header is a section titled "Save Visit". This section contains two dropdown menus: "Available patient Id:" with the value 29 selected, and "Available doctor Id:" with the value 19 selected. Below these dropdowns is a button labeled "Save". At the bottom of the section is a link labeled "Back to List".

**Save Visit**
